If you order a double set, we calculate double the price of a normal single set.

We can also prepare an allergen-specific immunotherapy based on the result of your intradermal test (for most countries) or another allergy test result.

Please send a prescription with your order. Delivery time approx. 3-5 weeks.

Please feel free to call us if you have any questions.

Our allergen-specific immunotherapies and intradermal tests are authorized for use in the EU. Please use the QR code to access the EU medicine authorisation information.
