Allergen - Specific Immunotherapy (ASIT, Hyposensitization) Dog/Cat/Horse

Please send a veterinary prescription together with your order. The prescription is mandatory for us to be able to deliver your order!
We can send you a blank prescription form upon request, or you can find one online in the login area or you can use the request field at the bottom of the results sheet. Delivery time approx. 3 weeks.

Please note that an ASIT is not available for all tested allergens!

We can also prepare an allergen-specific immunotherapy based on the result of your intradermal test or another allergy test result.

Feel free to call us if you have any questions.
